**Flu**

Flu is a common and infectious viral illness that peaks during the winter months. You may have a sudden fever, a dry cough, muscle aches and fatigue, and have to take several days off work. The flu vaccine helps to fight off several strains of the virus.

"Request the flu vaccine through our convenient online service without having to see a doctor face to face."

  
Dr. Gigi Taguri  
MBBS BSc DFRRH

**Flu Vaccine**

 **1 Vaccination** **£11.50** [Start Online Consultation](#)

**How our Flu Jab service works**

**1** Select the jab and fill out a short medical form.

[Have a Question?](#)

- Create your Patient Record.

Please note that even though a billing address is asked for – no payment will be taken for this service.

You must use your Network Rail email address (no medical data will be shared with Network Rail). If you do not have a Network Rail email address, please contact OH Assist on 0330 008 5105 – Select Option 4.

LloydsPharmacy Online Doctor offers a number of prescription-only treatments and tests. Search below for the treatments you need:

Flu Jab (Flu Jab)

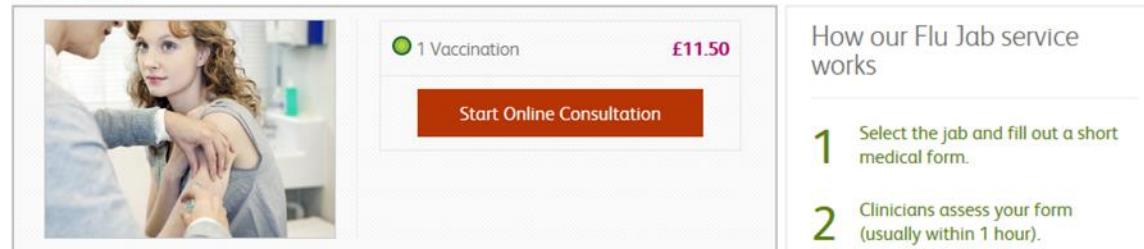

"You can choose from the dropdown list to the left, or browse our clinics below."

Dr. Gita Tanduri  
MBBS BSc DFRH

- On the flu jab page, select 'Start Online Consultation'

### Flu Vaccine

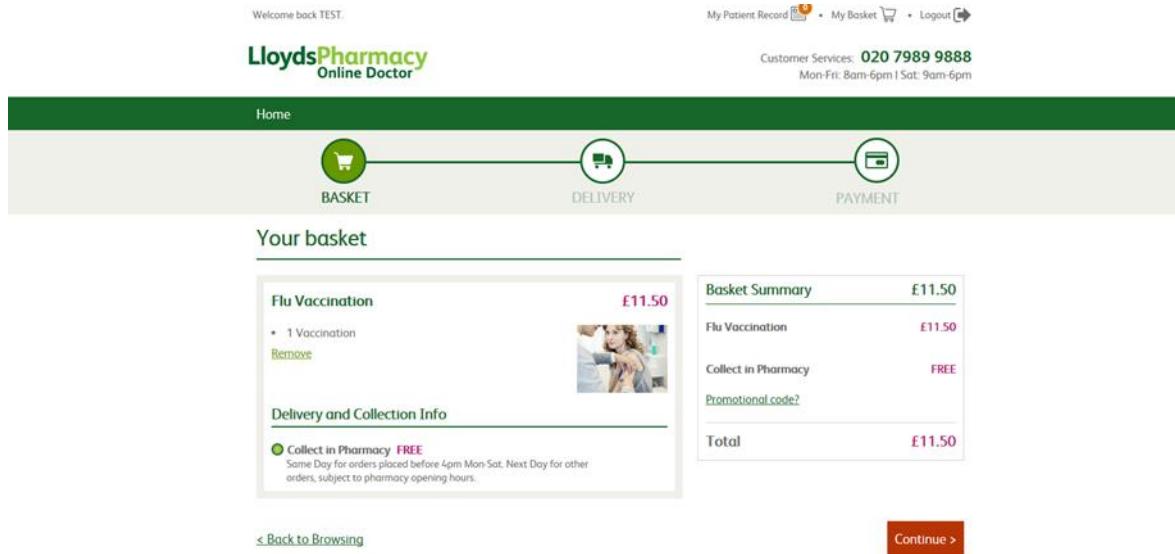

The page title is 'Flu Vaccine'. It shows a photo of a person receiving a vaccination. The service summary includes: '1 Vaccination' and '£11.50'. A red button says 'Start Online Consultation'.

**How our Flu Jab service works**

- 1 Select the jab and fill out a short medical form.
- 2 Clinicians assess your form (usually within 1 hour).

- Complete the required questions and tick the relevant boxes for consent.
- When complete, click 'submit'

- When you have completed the consultation, you will be presented with 'Your Basket'.
- Enter the discount code that represents the Route or Function that you work in. This will deduct the cost of the vaccine to £0.00
- Discount codes can be found on the flu vaccine communication poster. If you require a copy of this document, please speak to your line manager or contact the OH Assist Helpline.
- Select 'Continue'

[< Back to Browsing](#) **Continue >**

- When you have set up your record and submitted your questionnaire you will be presented with a list of local LloydsPharmacy stores. Please select the store where you would like your vaccine to be administered.
- Click 'Continue to Payment'

- A team of doctors will assess your suitability for the vaccination.
- You will receive an email or text message (depending which option you selected during registration) confirming that a message is waiting for you in your patient area of the LloydsPharmacy website. Please log in to this area.
- The message will detail whether you are eligible for the vaccine or not. If you have any queries regarding the outcome of this, you can submit questions to the Online Doctor in your patient area or contact the OH Assist helpline.
- If you are eligible for the vaccine, you will receive the telephone number of the LloydsPharmacy you have selected. Please use this telephone number to book your vaccine appointment.
- **Please ensure that you take your Network Rail ID card with you to your appointment.**

## Your order has been prescribed

[Log in to read doctor's message](#)

Dear Miss A. Canizares,

Dr S Wellappilli has assessed your medical questionnaire and has prescribed your order.

[Read the doctor's message >](#)
