

DON'T PUT YOUR CAREER ON THE LINE

NO DRINKS, NO DRUGS, NO WORK!

If you fail or refuse a 'For Cause' Screening or a random Drugs and Alcohol test, the penalties can be severe.

You could be looking at a dismissal and a suspension of your Sentinel card, leaving your Railway career in the gutter.

Amazing isn't it, how expensive a night out can be?

THINK! Is it really worth it?

If you think you may have an issue with alcohol or drugs, contact your line manager or HR manager, or contact Validium via a freephone number (0800 358 4858) or free from mobiles with contract minutes on (0330 332 9980) or minicom on (0800 039 7879), or visit their website
